4/27/77

Dear Mr. K.,

Thanks for your 1/25 which came today.

I had mentioned this to a publisher.

Interest in it is not impossible.

However, there will, I think, need to be more than this.

As I told you, I cannot do thisx myself.

I do have a writer in mind.

Please send me whatever else you have when you can and I'll speak to him

Hastily,
